Foreign Language Proficiency Certifications and Global Honors

Participation in UChicago Study Abroad programs may help you learn a new language or continue studying a language you already know—with the possibility of gaining significant proficiency levels. Visit languageassessment.uchicago.edu/flpc for information about the Office of Language Assessment's Foreign Language Proficiency Certifications (FLPCs). Engagement with both Study Abroad and FLPCs will earn points toward Global Honors, the College's recognition of exceptional global engagement. For more information, visit languages.uchicago.edu/global-honors.

Summer International Travel Grants (SITG)

Summer International Travel Grants give you the freedom to design your own summer experience abroad. Travel independently to a location of your choice and carry out original research or study the local language. Each year the College awards approximately 100 grants of $7,000 each to support these efforts.

Foreign Language Acquisition Grants
Pursue intermediate or advanced language study in the location and program of your choosing. Programs must be at least eight weeks long and located in a setting where the target language is predominantly spoken.

International Research Grants
Conduct independent research in all corners of the world, from field archaeology in Peru to molecular dynamics in Sweden. Often this work leads to a BA paper.
